

### **Industrial Electrical Silicone Rubber Insulating Washer**

Silicone Rubber Insulating Washer has high tear resistance, good elasticity, high strength, non-toxic and tasteless, high temperature resistance, excellent heat resistance to air, aging performance, ozone resistance, insulation, can work in the air or oil medium under the condition of temperature  $-60^{\circ}\text{C}$ - $250^{\circ}\text{C}$ , excellent thermal conductivity.

**Silicone Rubber Insulating Washer** has high tear resistance, good elasticity, high strength, non-toxic and tasteless, high temperature resistance, excellent heat resistance to air, aging performance, ozone resistance, insulation, can work in the air or oil medium under the condition of temperature  $-60^{\circ}\text{C}$ - $250^{\circ}\text{C}$ , excellent thermal conductivity.

#### **Product Parameter of the Industrial Electrical Silicone Rubber Insulating Washer:**

- ①Product name: **Industrial Electrical Silicone Rubber Insulating Washer**
- ②Material: EPDM NBR Silicon or Can Custom
- ③Logo: Can Custom
- ④Size: Can Custom
- ⑤Can Custom: Black or custom
- ⑥Application: Automotive
- ⑦Certifications: IATF16949 ,ISO14001:2015,ROHS,CMC, etc
- ⑧Delivery: 30 -50days after sample confirmation
- ⑨Sample: 25-30 days
- ⑩Payment: 30% deposit, 70% payment before shipment
- ⑪Package: PE bags, Cartons,Pallet
- ⑫Payment Terms: T/T,L/C and so on.
- ⑬Shipment Way: Vessel,Air,Express etc.

## Product Feature AND Application of the **Industrial Electrical Silicone Rubber**

### **Insulating Washer:**

**Electrical silicone rubber insulating washer** has certain tension, flexibility, excellent insulation, pressure resistance, high temperature resistance, low temperature resistance, chemical stability, environmental protection, safety, no odor, non-toxic and tasteless, insoluble in water and any solvent. With good flexibility, can meet different needs, silicone rubber pad has good performance, widely used in electronics, industry, home furnishing and other fields.

Below is our industrial electric power silicone rubber parts:
